

Seminary Ambassador Program

The Seminary of the Immaculate Conception is committed to the mission of formation and education in the Catholic faith in service of the Local and Universal Church.

To enhance the fulfillment of our mission, the Seminary has organized a group of volunteers, known as "Seminary Ambassadors," to liaison with parishes throughout the Diocese of Rockville Centre. The sole obligation of our "Ambassadors" is to promote, advertise, and encourage participation in the many programs and events offered by the Seminary.

Ambassadors are asked to:

- personally contact the Rectory Office and individual ministry leaders at that parish;
- provide material (created by the Development Office) for specific Seminary events.

Experience has proved that individual relationships result in better response to our requests for publicity. There is no financial obligation, simply the commitment to bring to parishioners' attention the various opportunities available at the Seminary for spiritual enrichment and occasionally social interaction.

If you would like to join this special program, or if you know someone who might be interested in becoming an Ambassador, please complete the information below and return to the Seminary Development Office, bmalone@icseminary.edu.
